In thanks for and loving memory
of all who have died recently,
especially those who have died unloved
and not remembered.

We remember the many people
who have died because of Covid 19.
May they rest in peace.

House of Prayer May ~ June 2021

Prayer to Mary

Virgin Mary, turn your merciful eyes towards us amid this coronavirus pandemic. Comfort those who are distraught and mourn their loved ones who have died, and at times are buried in a way that grieves them deeply. Be close to those who are concerned for their loved ones who are sick and who, in order to prevent the spread of the disease, cannot be close to them. Fill with hope those who are troubled by the uncertainty of the future and the consequences for the economy and employment. Support national leaders, that with wisdom, solicitude and generosity they may come to the aid of those lacking the basic necessities of life and may devise social and economic solutions inspired by farsightedness and solidarity. Amen

We pray with the Church and the World

MAY

15th International day of families: we pray for families who bear the brunt of the crisis, sheltering their members from harm, caring for out-of-school children and, at the same time, continuing their work responsibilities.

16th International day of living together in peace

29th International day of UN peacekeepers

The world of finance:

We join Pope Francis as he calls on the architects of the global financial system "to reduce rising income inequality by prioritizing the needs of the poor who are left behind by the globalization of indifference."

JUNE

12th International day against child labour: we pray that children around the world may never be engaged in paid and unpaid forms of work that are harmful to them and may grow in freedom and joy and be given all rights.

15th International elder abuse awareness day: we remember that older people have the same rights to life and health as everyone else and pray that difficult decisions around life-saving medical care respect the human rights and dignity of all.

20th International refugee day: we pray for a more inclusive and equal world where no one is left behind. Everyone can make a difference, including refugees, who can contribute to society, as every action counts in the effort to create a more just, inclusive, and equal world.

The beauty of marriage: we pray for young people who are preparing for marriage with the support of a Christian community: may they grow in love, with generosity, faithfulness and patience.
