

Celebrating the Feast of St Ignatius 2021

From May 2021 until July 2022, the Society of Jesus celebrates an Ignatian Year to mark the 500th anniversary of St. Ignatius' conversion — we remember the cannonball experience as the beginning of a discerning way of being.

*'Ignatius spent time in convalescence letting his imagination wander. He imagined going back to a life of daring chivalry. He also imagined himself following in the footsteps of the saints. **The former dream left him dissatisfied and desolate; the latter filled him with peace.**'*

The former dream left him dissatisfied and desolate . . .

. . . the latter filled him with peace.

**You are invited on this Feast of St Ignatius,
to sit before this painting, spend time with it, and let it draw you in . . .**

We hold all who are unwell, bedridden or incapacitated in anyway especially in our thoughts prayers this year.

With prayers and best wishes from
