## *We pray with the Church*

### **January**

*For true human fraternity*

We pray for all those suffering from religious discrimination and persecution; may their own rights and dignity be recognized, which originate from being brothers and sisters in the human family.

### **February**

*For religious sisters and consecrated women*

We pray for religious sisters and consecrated women; thanking them for their mission and their courage; may they continue to find new responses to the challenges of our times.

to come whispering it will be happier.”***

Alfred Tennyson

*“...Concerning the name, I have twice in severall yeares understood in as perticular a manner as these other things I have recounted, that the denomination of these must be Jesus. And thrice, I think more often, of the inconveniences would happen to both partes if ours should have any dependensy of the Fathers of the Society.”*
