GOOD NEWS FLASH:

Leadership in Rome announce the appointment of our: *Becoming One Communications Team*. We are grateful for the gifts and talents of these good women who have so generously accepted the call to facilitate our Mary Ward online platforms: Website, Facebook Page, Ambassador communications and any little bits of good news and information you would like to share. **Please welcome: Carla Bellone, Esther Finis and Jennifer Schmitz.**

Depending on where you live, their names might be familiar to you. You will hear from them asking for stories of the good news of our life and mission as we journey together in the process of becoming one. You are welcome to take the initiative to send your welcome and contributions of what is happening in your area to: [communications@mary-ward.org](mailto:communications@mary-ward.org)
