**Congregatio Jesu
2022 General Congregation**

**Re/ Message from the Missionaries of the Sacred Heart
on the occasion of the CJ Sisters' GC 2022.**

Dear Jane and sister delegates.

With much love, friendship, and closeness, allow me to express our sincerest best going to you All during your General Congregation.

It has been a long time since we have been *co-building hope together* from our congregational leadership bodies. We have been close to you all these years, including uncertainties due to the pandemic. Moreover, we are fully aware you are now at a profoundly historical and prophetic moment.

You are making it possible for Mary Ward's legacy and prophecy to continue to be a living response to the challenges of emerging futures.

May the God of life continue to encourage and strengthen you through the generative listening processes, strategies, and decision-making, including the journey you are making with IBVM Sisters, which is a *sign of the times* for all religious life.

On behalf of all the Missionaries of the Sacred Heart, particularly us serving in the MSC Generalate, we assure you of our prayers and closeness.

Thank you for your witness as prophetic women facing the future as it emerges.

In Corde Jesu,

**Mario Abzalón Alvarado Tovar, MSC
& General Leadership MSC Community**
