
We pray with the Church

May

For church movements and groups

We pray that Church movements and groups may rediscover their mission of evangelization each day, placing their own charisms at the service of needs in the world.

June

For the abolition of torture

We pray that the international community may commit in a concrete way to ensuring the abolition of torture and guarantee support to victims and their families.

“Let us sit at the school of the Holy Spirit, so that he can teach us all things. Let us invoke him each day, so that he can remind us to make God’s gaze upon us our starting point, to make decisions by listening to his voice, and to journey together....” *Pope Francis, Pentecost 2022*

In thanksgiving for,
and loving memory of,
all who have died recently,
and especially those who have died
unloved and not remembered.

We remember the many people
who have died in wars
and in acts of violence and neglect.
May they rest in peace.

HOUSE OF PRAYER

May – June 2023

‘Simple and believing woman,
a woman of deep joy, Mary,
Woman of daily tasks, of salt,
yeast, water and spikes.
Mother of all times, presence
and faithful companion
Your people on the way recognize you
and need you.
Mother of all, Mother Mary.’

Cecilia Rivero Borrel

“Let us pray that we may never be tired of
bearing witness to the Gospel, even in times
of tribulation....”

Pope Francis

We pray with the Mary Ward Family

We pray with the world

We remember those who work outside in the harsh elements of our world, the bitter cold and sweltering heat of extremes.

We remember those who do not have a job to go to, who are struggling to meet the needs of their daily living expenses, for whom the day becomes long and arduous.

We remember those who participate in unsafe and dangerous work. We pray for a renewed sense of dignity in their lives and in their work.

We ask that you comfort children who are currently working in dangerous jobs and provide them with a way out of exploitation and poverty, so they can flourish in life.

We pray that we use our technological inventiveness to undo the damage we have done to Your creation and to sustain Your gift of nature.
