Newsflash

Today's session began with faith sharing on the theme "Breathing in the Creator". We reflected on the graces experienced during these past days and shared what we wish to carry forward to nurture this inner light. Sr. Sabrina addressed the gathering. After our short break we spent time in our groups appreciating each other's giftedness. The vote of thanks was expressed by various individuals in creative ways. The Holy Eucharist was then celebrated where we prayed for our three jubilarians Srs. Phyllis, A. Nirmala, and Josephine. We had a short Jubilee celebration followed by a fellowship meal.
