

31st December 2024

Newsflash

We were led into faith sharing on the theme 'Jesus listens'.

Then in groups, we had to write in a word or phrase where we were in the process of Becoming One. After the break, Ruma shared the stages of leadership – control, Relational and sacred. Carmel and Veronica answered queries regarding Becoming One. Carmel also stressed the importance of having Safeguarding Regulations in place. In the last session, we had to share what we were experiencing and what we were resisting. We were given feathers to write down what we would do individually as a result of these days.

We pinned these feathers onto the Phoenix to enable it to fly.

We were happy to end the day with thanksgiving mass for 2023.
